SPECIAL PROGRAM: “Living Together — Tax & Legal Ramifications”

We are pleased that Pillars — our male counterpart — will be joining us for our August 15th dinner and program. Pillars meets every other Friday at the Sierra Inn and was scheduled for the 15th in the room adjoining ours!

We will have separate registration tables but we don't think you will have any trouble figuring out which is which. This is a wonderful opportunity for us to get together and expand our networking even further into our community. Because of the anticipated large turnout for this program, *please* R.S.V.P. by August 11th. We will not have a buffet, but rather a sit-down dinner. Give us a call so we can arrange to have the proper amount of seating available.

Please specify if you want a vegetarian dinner or if you're coming for program only and the number of people in your party.

Dinner will be Chef's choice and will be served beginning promptly at 7:15 p.m. \$10.50 members, \$15.75 non-members. There will be a no-host bar (\$1.75 per drink). For those who wish to participate in the program and networking portions only, there will be a \$3.00 fee for members, and \$6.00 for non-members.

At our July picnic in the park over 60 members shared lots of good food and fun on a perfectly lovely day. And, our efforts to make SACWN a more multi-cultural organization seemed to be showing results — good for all of us!

Successful SACWN-ites:

Roxanne Hardenburgh has been elected to her second term in office as President of WEAVE (Women Escaping a Violent Environment). Lu Hoge has been elected Treasurer. Lu served as the appointed Treasurer last year. It's no wonder they are back in office, for WEAVE became the second shelter in the country which has a facility specifically designed and constructed to serve battered women and their children. Ruth Hobbs donated her construction management expertise by serving as project manager during the negotiation and construction activity phases. Over one-half of the \$400,000 debt in mortgages has been retired in the first year. Hey, Lu, how would you like to manage my mortgage?

(It is important for us as women to learn to acknowledge and accept recognition for our accomplishments. Practice now and call Thea, 551-2053 wk/922-1809 home.)

Committee News:

Governance Committee: Do you want to be involved in directing a dynamic organization? Become a candidate for the Steering Committee. Four positions will be filled at the elections held at our annual meeting in October. If you're interested call Gail at 448-5463 (wk).

Steering Committee: At our July meeting a lengthy discussion about membership dues and benefits proved fruitful. As noted in the last newsletter, we are contemplating increasing annual dues; however, we are mindful that the membership wants benefits from their dues. The Committee's thinking, to date, is to have two types of individual associations with SACWN: **newsletter-only** for \$10.00 per year and **full-membership** for \$24.00 per year (that's \$2.00/month) coupled with a significant change in the cost of programs. A newsletter-only would entitle you to receive our monthly publication, so you can keep abreast of our activities, but not receive the benefits of full-membership. A full-membership would entitle you to receive the newsletter, optional listing in the directory, and greatly reduced prices at monthly meetings and special events. For instance, in the Fall our

dinner meeting format may change to an hors d'oeuvres and cash-bar format with members paying substantially less than the current \$10.50.

The Steering Committee will be deciding August 12 on the increase in membership dues for you to consider at our annual meeting. The effective date would be the day after the annual meeting, so any new memberships or renewals received prior to that date at the current price of \$10.00 would be considered full-memberships for the 1986-87 year. (Our fiscal year is July 1st to June 30th).

If you would like to talk about membership dues and benefits, or this new approach to financing the activities of SACWN please feel free to call Gail at 448-5463 (wk), Jessica 973-1093 (mes) or Rosy at 447-7255 (wk). We ask that you give consideration to this proposal now, so that all your questions may be answered in time for the voting in October.
